## Live Nature Network

### Explore.org brings nature to the world!

Explore.org is the world's leading philanthropic live nature cam network and documentary film channel, recently coined the "Netflix of Live Nature". Our mission is to document and share nature as it unfolds to inspire life long learning and showcase selfless leaders around the world who have devoted their lives to extraordinary causes. Explore.org supports and pairs with rescue organizations, wildlife sanctuaries, research centers and conservation groups to ensure that animals and nature around the globe are protected for future generations.
