Charlie Annenberg and explore.org Pledge \$25,000 to Both Fellow Streamys Social Good Honorees in Nonprofit/NGO

Los Angeles, CA --

Last week, explore.org was honored as an NGO/Non-Profit that achieves a measurable social impact at the Streamys 9th annual awards ceremony. We were humbled to be recognized alongside world class non-profits including St. Jude Children's Research Hospital— St. Jude PLAY LIVE and It Gets Better Project and are excited to announce that Charlie Annenberg, founder of explore.org and Vice President of the Annenberg Foundation, has been inspired to grant \$25k to both fellow honorees for NGO/Non-profit due to their outstanding commitment to create a better world to live in.

We want to thank the Streamys and YouTube for helping to bring all of these stories to a broader audience and giving us all a platform to create community and impact for social good. We truly look forward to seeing the continued impact of St. Jude's and It Gets Better Project in the New Year.

Streamy Awards Founder, Drew Baldwin

The Streamys Social Good Awards are as much about honoring the incredible work of our creator community as it is about inspiring others to take action. Explore.org's generous contribution to fellow Streamys Social Good Awards Honorees will surely amplify the impact of their causes.

explore.org Public Relations, Emily Berlin

The Streamys Social Good Awards and their focus on this category gave our team at explore.org the opportunity to witness a multitude of selfless non-profits/leaders in the social good space who are doing inspiring work and, most of whom are outside our normal scope of giving. We were reminded that in order to create a better world we all have to be in this together, support one another, and continue to inspire action. We are honored to support St. Jude PLAY LIVE and It Gets Better Project in their missions.

St. Jude Children’s Research Hospital— St. Jude PLAY LIVE:

[St. Jude](#) freely shares the discoveries it makes, and every child saved at St. Jude means doctors and scientists worldwide can use that knowledge to save thousands more children. And families never receive a bill from St. Jude for treatment, travel, housing or food – because all a family should worry about is helping their child live.

It Gets Better Project:

The [It Gets Better Project](#) is a nonprofit organization with a mission to uplift, empower, and connect lesbian, gay, bisexual, transgender, and queer youth around the globe. Growing up isn’t easy, especially when you are trying to affirm and assert your sexual orientation and/or gender identity. It can be a challenging and isolating process – but, the good news is, no one has to do it alone.

All 2019 Streamy Social Good Award Honorees at the YouTube Space:
